REGARDING: IMPACT OF COVID 19 ON SCHOOLS

Dear parents and guardians

With the current Covid-19 Lockdown in progress, we are still dedicated to a successful 2020 academic school year. We believe with the current situation, Wonderfontein will be able to keep up the work.

Mr Cyril Ramaphosa, the State President of the Republic of South Africa, announced an extension of the Covid 19 Lockdown until the end of April. We still have no formal date for when schools will re-open.

Our dedication to a successful academic school year is of such a sort that when we do re-open, it will be "full steam ahead." Our educators are working from home, preparing lessons, sending links, work and activities via social media platforms. We urge you to connect with our educators in connection with work.

With this being said, our educators need to receive their salaries, we need to pay our electricity and water bill, textbooks and copies.

Without these educators getting their salaries, we will lose our way to a successful academic year.

Thus, just like us, to honour your financial responsibility in this difficult time. Your child's future is still your first priority.

Let us work together to get through the lockdown, beat the Covid-19 infection and reach successful 2020 academic year.

Yours in education

Mr PHDV van Wyk
Principal

INSAKE: IMPAK VAN COVID 19 OP SKOLE

Geagte ouers en voogde

Met die huidige Covid-19 isolasie, is Wonderfontein steeds toegewyd om die 2020 akademiese jaar 'n sukses te mak. Ons glo, in die huidige situasie dat Wonderfontein die werk op datum sal hou.

Mnr Cyril Ramaphosa, die Staatspresident van die Republiek van Suid-Afrika het 'n verlenging van die isolasie-tydperk aangekondig wat sal strek tot die einde van April. Ons het ook steeds geen formele datum vir wanneer die skole sal heropen nie.

Ons toegewydheid tot 'n suksesvolle akademiese jaar is van so 'n aard dat wanneer ons heropen, dit "volstoon vorentoe" sal wees. Ons onderwysers werk van die huis af, berei voor, stuur aktiwiteite, lesse en webskakels op verskeie aanlyn platforms. Ons moedig u aan om met ons onderwysers te kommunikeer aangaande die akademiese werk.

Dit gesê, ons onderwysers moet salaris ontvang, ons moet elektrisiteit betaal, handboeke, kopieë..

Indien ons onderwysers nie salaris ontvang nie, sal ons die pad byster raak wat lei tot 'n suksesvolle akademiese skooljaar.

Dus, net soos ons, kom u finansiële verpligting teenoor die skool na. U kind se toekoms is steeds u eerste prioriteit.

Kom ons werk saam om deur die isolasie-tydperk te kom, die Covid-19 virus die hoof te bied en 'n suksesvolle 2020 akademiese jaar te bereik.

Onderwysgroete

Mnr PHDV van Wyk
